

*We Are the Reliable Link in
Your Supply Chain.*

CAPABILITIES

Company Overview

Boateng Logistics, a certified 8(a), minority-owned small business, specializes in efficient logistics solutions and transportation services to effectively support the Government's global supply chains. Our logistics experts implement proven processes and industry best practices to solve the Government's toughest logistic challenges, even under changing conditions and constraints.

Boateng Logistics brings extensive experience in full-service logistics solutions, heavy & oversized shipments, FTL, LTL, and proven success as an expeditor. Licensed and bonded, the company delivers logistics solutions to the US Government and large retailers within the United States and Canada, with a robust network to serve on global projects.
